To our Clients, Friends and Families:

At the end of October, our law office at 218 Navesink River Road had a very damaging fire. Luckily, no one was hurt or injured. The only good news is that all of our original signed Wills, Trusts and other documents archived in our fireproof filing cabinets were preserved. Also, our open files only received smoke damage and have been cleaned, fumigated and recently returned to us.

It is currently estimated a 12-15 month process to rebuild the office building “from the studs and exterior walls”.

Our new physical address is 100 Village Court, 2nd Floor, Suite 204, Hazlet, New Jersey 07730 (on the southbound side of Route 35 just north of the Costco complex). Our phone number (732-219-9200) remains the same as well as the USPS mailing address of P.O. Box 4151, Middletown, New Jersey 07748.
